He has 37 years of experience and looks forward to the new role.</p> <p>Captain Richardson highlighted the “power shift” concept, where officers overlap when starting/ending shifts. Additionally, they are bringing in new officers from western Cincinnati and have an officer specifically focused on traffic violations (speeding, running lights, etc.).</p> <p>District 2 holds a Christmas dinner for seniors with District 4. They are asking neighborhood councils for a donation to support the event. [The EWHA Board later approved this donation.]</p> <p>Officer Perry Locke: 513-979-4433; Email: perry.locke@cincinnati-oh.gov; Supervisor, Sergeant Sellers: 513-979-4470</p> | None |
| 3. Busch Recreation Center | <p>Ms. Vanessa Henderson presented upcoming events for the Bush Recreation Center.</p> <p>Ms. Henderson thanked the neighborhood for their continued support. You can also renew your membership at any time online. https://eastwalnuthills.org/join-now/</p> | None |
| 6. Events | <p>Duke Durfee presented.</p> <p>There was no neighborhood cleanup held on November 13 due to the snow.</p> <p>The monument at the bottom of Kemper Lane is missing. Duke has a call into The Parks Department and they are looking into it.</p> | None |

| 11. The DeSales Community Urban Redevelopment Corporation (DCDC) | <p>Drew Gores presented for DCDC.</p> <p>The development at 1627 E McMillan, right next to the Husman House, went to the City Planning Commission on November 7 and received unanimous approval. As a reminder, the house at the back of the property will remain and the developer will add three townhouses in the front of the property. There was very good collaboration between the developer, neighbors, and DCDC. This process was even highlighted by the Business Courier.</p> <p>The proposed developer for 1520 Madison Rd is expecting to complete due diligence by the end of January. DCDC had initial informal contact with the developer, but it was informational only. While the development purpose is unknown, it will likely be apartments.</p> | None |
| 12. Infrastructure | <p>Drew Gores presented on behalf of Mike Schott.</p> <p>The EWA proposed funding a traffic calming study, utilizing TIF funding. However, the City does not think TIF should be used for DOT projects. The committee is therefore pivoting to look for alternate funding opportunities. They are partnering with O'Bryonville, which has concerns with speeding. In those efforts, we are supporting them, following their lead. The committee is also looking at the federally funded Bridge / Victory Parkway project to see if there is an opportunity to expand the current scope slightly to include Madison.</p> | None |
| 13. Other Business | <p>Courtney Houser discussed Winter Operations. The snowplow tracker is not working, but crews are out.</p> <p>Marvin Jackson talked to the Assembly about the Brent Spence Bridge Project. While construction and engineering skills are of particular need, there is also a youth program for those in high school and college as well as an opportunity for small businesses to support the workers.</p> <p>Essex Art Studios is having an art walk this weekend, December 5-6 from 6-10PM.</p> <p>There was a request to bring back a virtual option for the EWH Assembly meetings. Steve will follow-up and look into options.</p> | |
