

EAST WALNUT HILLS ASSEMBLY
MONTHLY MEETING MINUTES
 Wednesday, February 5, 2020 at 7:00 PM
 St Francis de Sales School Cafeteria

Agenda Item	Discussion	Action
Welcome	President Tony Fischer called the meeting to order at 7:05 p.m.	
1. Cincinnati Police Report	<p>Officer Locke presented the crime statistics for EWH for January 2020. A copy of the crime statistics is attached. Officer Locke reminded attendees to lock “your junk in the trunk” to reduce auto break-ins.</p> <p>Captain Jones reported that Shot Spotter, that triangulates the noise from gunshots to specifically identify where the gun shots have occurred will be implemented in Evanston in 2020. Some parts of EWH, that abut Evanston, will be covered. Police can receive data from the Shot Spotter within 30,45 seconds of a shot being fired, which can decrease police response time. Also, information recovered from the scene (spent shot casings, for example) will be placed in a national data base.</p>	None
2. Move Forward Campaign Report	<p>Mary Miller, SORTA Board member, presented information on the “Move Forward” campaign encouraging Hamilton County voters to vote “yes” on Issue 7 on March 17. If Issue 7 passes there will be .8% sales tax levied in Hamilton County for 25 years to fund more bus routes, more frequent buses and longer service hours. Part of the projected \$130 million per year in revenues would be invested in infrastructure repair and improvements. Visit moveforwardcincy.com for more information.</p>	None
3. Former Anthem Site Presentation	<p>Stephen Dronen presented an updated signage plan for the Woodward Exchange development at the former Anthem site, including using a slideshow. The slideshow, as presented, is attached. The emblems that formerly were proposed for the top of the buildings have been eliminated. The proposed sign on the concrete wall at the corner of Woodburn and WH Taft has been eliminated. The ground signs at the entrances to the pedestrian street are also eliminated. [Slideshow states that a “logo” will be placed on the concrete wall. This was not discussed, nor approved at the meeting] The new proposed signage would be 2 vertical blade signs that are 15 ft. high and 3.5 ft. wide, with one sign on the building at the new street on Woodburn and the other on the building near the corner of Woodburn and Taft. Each sign would, at the top of the sign, be approximately 30-35 ft. off the ground. The developer wants to present a “major amendment” to the Planning Department and then to the Planning Commission for approval of the new signage. Three variances would be requested for the signage in the Major Amendment request: (1) the current CCP zoning for this property allows only one blade sign for the development; the developer needs a variance because two blade signs are being requested; (2) both proposed blade signs (15 ft. x3.5 ft.) would exceed the height allowed under CCP (8 ft. x 3.5 ft.), so a variance is requested for the 15 ft. height on each sign; and (3) The height from the ground to the top of the blade signs under CCP cannot be higher than 20 ft. off the ground; the developer is seeking a variance to allow the signs to be 30-35 ft height off the ground. After discussion and motion and second, the Assembly members approved the request for the three variances as described above and as shown on the slide show presentation.</p>	Vote to Approve
